The question came from <http://r.789695.n4.nabble.com/plots-for-presentation-td4645869.html>

We will add “\only” to the plots so that show up one by one.

```
par(mar = c(4, 4, 0.1, 0.1))  
x = rnorm(100)  
hist(x, main = "")  
rug(x)  
abline(v = mean(x), lty = 2, lwd = 3)
```
