

# CALL FOR PAPERS: AGENT-BASED ECONOMICS

## EASTERN ECONOMIC ASSOCIATION MEETINGS February 25 – February 27, 2011 New York City Sheraton New York Hotel and Towers

Building on the tremendous successes at the last several EEA meetings, the NYC Computational Economics & Complexity Workshop (<http://nycompworkshop.org/>) is planning to organize several sessions on agent-based economics and related areas.

If you would like to submit a paper for presentation, please submit to the person listed below:

- 1) Your name, email, a paper or abstract, and
- 2) The field or area of your paper.

- **Social Networks or Labor:** Troy Tassier, [tassier@fordham.edu](mailto:tassier@fordham.edu)
- **IO, Organizations, Environmental:** Chris Reubeck, [ruebeckc@lafayette.edu](mailto:ruebeckc@lafayette.edu)
- **Macroeconomics or Finance:** Leanne Ussher, [Leanne.Ussher@qc.cuny.edu](mailto:Leanne.Ussher@qc.cuny.edu)
- **Computational and Machine Learning Methods in Finance,** Germán Creamer: [German.Creamer@stevens.edu](mailto:German.Creamer@stevens.edu)
- **Other Fields not Listed:** Jason Barr, [jmbarr@rutgers.edu](mailto:jmbarr@rutgers.edu)

Please submit your proposal no later than  
**FRIDAY, OCTOBER 8, 2010**
