

Statistician - Demand Analyst

"I want the chance to stand out while being part of something outstanding"

Nespresso Intl, Lausanne, Switzerland

Undefined period of time, 100%

Are you ready to join a multinational team in a challenging role? As Demand Analyst in our Central Demand Planning team, you improve the accuracy of the consolidated Demand Plan for the Coffee, Machines and Accessories categories by integrating existing business plans and by taking full advantage of state-of-the-art statistical tools.

The Nestlé Nespresso SA Company is the fastest growing operating unit of the Nestlé Group, the world's leading food, beverage, nutrition and wellness company. While benefiting from Nestlé's expertise, Nestlé Nespresso is a strategic business unit in its own right, with overall responsibility for its research and development, the supply of its raw materials as well as the production and the marketing of its premium coffee products. Nestlé Nespresso S.A. pioneered the portioned coffee market to provide the very highest quality coffees that could be enjoyed in the comfort of consumers' own homes and savoured at out-of-home locations, such as restaurants, hotels, offices and luxury retail businesses.

Key responsibilities

- Collate information and assumptions received from Markets, Marketing and Sales
- Establish a 20 month rolling demand plan, submit forecast to Markets and review the outcome of the local Monthly Business Planning process; using a state-of-the-art statistical solution
- Ensure Demand Plan information is readily available to internal stakeholders
- Ensure successful product launches & phase-outs
- Consistently analyze actual sales and improve Demand Plan accuracy
- Drive continuous improvement mindset towards existing processes

Education and experience

- University degree in Mathematics, preferably in Statistics
- Proven expertise with a demand statistical tool, e.g. SAS, SAP/APO, SPSS
- Ideally, 3 years of experience in one of the following areas: Sales, Demand Planning, Marketing, Finance, Supply Chain Development, with a knowledge in product portfolio management and expertise in collaborative business development with the Trade
- Fluent in English; French, German or any other European language is an asset

Show us that you have very good communication skills to convince others and obtain their buy-in. You demonstrate strong analytical skills, influence with integrity and adapt behavior and communication style to the needs of the audience.

If you have the right profile and want to help us make a difference, apply in English at www.nestle.com/jobs.

The Nestlé Group is the World's leading Nutrition, Health and Wellness Company with 91,6 billion Swiss Francs in sales in 2014, more than 339'000 employees worldwide and 442 factories in more than 86 countries.
